SUNSHINE COMMITTEE

Our Comm depends on our members as a network to contact us with any news of members who may need a get well card, condolence card, donation or perhaps flowers to bring some sunshine to someone's day. Please contact Cinda Shupe with any information in regards to "Sunshine". 678-602-60

Video Library

As a member of the CNY chapter all members are allowed to borrow some of the many tapes the chapter has. They are available to borrow at any meeting or you can contact Scott Smith at 315-687-1165 to pick up at another time. More are being added to the collection or you can donate a copy of one you would like to share.

Hope you all had a happy 4th of July.

Factoid: The US exported over 2.9 million tons of wood pellets [\$650 million] to Europe in 2013. Fracking? OIL? SOLAR? Biomass!!

Presidents place:

As I write this page the chapter show is only days away. Cindy and I have been getting calls from folks wanting to pre-register and get directions to the park. Terry Salisbury has updated the branding iron, Tom Rogers and Jim Eckel have had the wheel chocks cut and planed and Stan King and Ed Emmons are all done with the burning. Great job guys! The printer is making up the program and Marilyn Correia should have them in a few days. Thanks to all those that sold ads and sent in articles. Stan showed me the show T-shirts and they look great. This year the show feature truck is on the back and our chapter logo is in the left top corner. To reserve a shirt call Mertis King at 315-437-5362. Prices are \$13 for med, large, and x large. \$15 for xx large and up. Several vendors have sent back to reserve spots. Jay Seitz is putting up signs this week and Starlet has sent to all the radio and TV stations info about the upcoming show, so keep your ears and eyes open. I plan on loading up my trailer and truck Saturday morning at LTS on Eastman Road at 8am. Any one that can help is welcome to come. We are going to be at the park at 6:30 am to setup on Sunday. We will need all the help we can get. Many hands make light of work.

Thanks to April and Andy Boyle for hosting the June meeting at their place. We had a turnout of over 30 members. Everyone brought awesome food and if you went away hungry it was your own fault. April wants to do it again next year. Thanks.

Danny Smith is holding his 14th annual Trucker Pride & Polish show on July 26th at the Whitney Point Fair grounds. There will be truck pulls, Show and Shine and plenty of food. Contact him for more info. 315-539-4108 or 607-343-3215.

The Empire State Antique Truck Assoc. in western New York is hosting their 28th annual truck show at the Stafford Fireman's Ground in Stafford on August 2nd & 3rd, and the Twin Tiers chapter having their show at the Broome County Fair Grounds in Whitney Point on the 23rd & 24th. These guys bring groups of trucks to our show every year. Let's show them our support and do the same. Contact me for info on a meeting place to go their as a group.

I know that it may be early but I am reserving a vender spot again at the Mohican model A Show on Sunday September 7th. Anyone interested in selling stuff can bring it to me and I will put it out for you, No cost. Call me at 315-687-1165.

Cinda Shupe is still missing the 2003 local truck show shirt to complete the second chapter Quilt. If you have one and want to donate it contact her at 678-602-6057 or me 315-687-1165.

We would like to give a speedy recovery to Tim Sager who recently surgery on his gall bladder. Also to Wendell Rotter and Clayton Theisen. On a sad note our thoughts and prayers go out to the twin Tier chapter on the loss of their Vice president Chris Skinner who died in the of duty on May 29, 2014.

That's all for this month. Hope everyone had a great 4th of July and spent lots of time with family. Remember there is no meeting in July so I will see every one on the 13th at Long Branch Park with your toys shining. Pray for dry and cool weather.

*Be safe
CNY President
Scott G. Smith*

Many of our members think life would be incomplete without some sort of B-61 in their collection. There is life out there beyond the B model. Enter Dick Webster of Newport, NY. Here at the left is Dick with his scaled down 379. The detail of this truck is truly over the top. Dick has taken a stock Dodge

one ton chassis, stripped off the cab and without a flaw built the perfect scaled down 379 Peterbilt. The Cummins 6B has been tricked out to make more horse power. The proportions of the truck are set around the engine and the Dodge chassis. The hood has been shortened to just fit over the engine. The grill and bumper are stock Peterbilt but the hood was formed from bulk stock to just meet the cab. Also, to make it look right, the cab was narrowed six inches to meet the custom hood. The pickup body was made from bulk stock with widened ford rear fenders.

This "Lil'Pete" was on display at the Munson Williams Proctor show in Utica this June 29th. This show is always great, held in a great spot, and usually has a few trucks. Try to put it on your show list for next year. Dick says he will bring "lil'Pete" to our show in Longbranch on July 13th. A BIG thank you to Dick Webster on this fine tribute to a fine truck.
