Factoids.....

Safety First

Several friends of mine have been injured working around trucks. All these accidents could have been prevented with a little fore thought on safety. Three men were crushed between trucks backed up on them. Never walk behind a running truck. One friend of mine was run over while working under a truck that slipped out of gear. Never work under a truck parked on an incline and block both front and rear wheels. He spent weeks in the hospital and had to retire after the accident.

Presidents place:

Hello to all! We have a lot going on this month. I have checked the weather forecast for the 10th and its looking great. We did really good on selling ads with over 90 in this year's program book. Good job on selling guys. The wheel chocks are done and waiting. I've got preregistration in and vender spots sold. Walt and Sue are getting food items together. Mertis has chapter and show T-shirts ready to sell. We are going to be at the park to set up at 7am for anyone who wants to help. This year is going to be great show, I can feel it.

I received some news today at lunch in the form of a phone call. Brandon Roth from News Channel 3 in Syracuse wants to do a feature story on our truck show and some of the member's trucks. This newscast will be live at Longbranch Park on Tuesday July 5th at 5:30am. This will be a great exposé and a way to get our show out to the public.

The week after our show is the Syracuse Nationals Car show at the state fair grounds. A few weeks ago I received a call from Bob O'Connor who runs that show. They are wanting some of our members who have trucks that look like the ones the USPS is releasing later this summer. They would like to feature them inside one of the buildings. If you haven't seen the trucks, look on the front of this newsletter. They are a 38 International, 48 Ford, 53 Chevy and a 65 Ford. (What no Dodge) If interested in bringing yours and want more info. Contact me at 315-687-1165 or call Bob at 315-952-3303.

I've been informed by member Dusty Kyes that the next issue of Wheels Of Time will feature one of his Mack's on the cover. Dusty has been an active member for years and always shows up with something great for the show. Looking forward to seeing it on the cover Dusty.

It's still not too late to get your reservations in for the August meeting at Clear Path for vets in Chittenango. The deadline to sign up is July 30th. This will be a catered meal with chicken and such. No cost to members but please we need a reservation so we know how much to have made. Call Marilyn at 315-447-8212 to get your name on the list.

On Saturday and Sunday August 6&7th the Empire State Antique Truck Asc. Will be having their 30th annual truck show in Stafford, N.Y. I would like to have a bunch of us with our trucks attend that show for support. For years George and his group sends several trucks to ours. Let's help them celebrate 30 years. Contact me for more info on a meeting place.

The week after is the Brockway Show in Cortland and on August 14th is the ATCA South Central 2nd annual show at the Brockway Museum. Let's get a group to go there and support them.

I know that September is a few months away but once again I'm reserving a few spots at the Mohican Model A show in Wampsville on the 11th. Any one that wants to sell items can bring them to the show or to me and it won't cost you a dime. It looks like I'm getting three spots this year. This is a good way to clean out the garage, or in my case the upstairs of the barn so it doesn't fall down anymore.

The storage trailer has several years of old truck show programs. At the end of this year they will be tossed out unless you want one. I personally save them for the articles and for the hard work a few of us have put into them. Call me to save one if you want one.

Wow that's a lot for this month, Everyone have a safe and happy 4th of July, watch us on channel 3 on the 5th at 5:30am and polish up your trucks for the 10th. Remember there is no meeting in July so see you all in August.

*Be safe
